WHAT

The MDS Foundation is hosting five Move for MDS walks to raise awareness of myelodysplastic syndromes (MDS), an often unrecognized and underdiagnosed, rare group of bone marrow failure disorders that affects an estimated 12,000-20,000 people each year in the United States. Today, there are an estimated 60,000-170,000 diagnosed MDS patients in the United States, with this number expected to grow.

In MDS, the bone marrow, which produces blood cells including red blood cells (for energy), white blood cells (for the immune system), and platelets (for clotting), is damaged and fails to produce enough healthy blood cells (cytopenias). In an MDS patient, bone marrow appears abnormal (dysplasia) and may have changes at a genetic-molecular level, which is why MDS is known as a form of cancer, with 30 percent of MDS patients progressing to acute myeloid leukemia (AML).

THE TIME IS NOW

Although great strides have been made, more work needs to be done in MDS to better understand the needs of patients. Inspired by those impacted by MDS, our hope with these Move for MDS walks is to continue a movement in helping to further spread awareness and bring attention to this disease among the physician community as well as the general public. Our goals are to:

- Elevate the conversation around the unmet needs of those living with MDS.
- Bring together the MDS and rare disease community and create new connections.
- Reinforce our commitment, along with our partner organizations, to help improve the lives of MDS patients and those who care for them.
- Establish the need and momentum for future Move for MDS walks across the country.

WHEN, WHERE, AND HOW

Our in-person walks will be held:

**CHICAGO : 5TH ANNUAL**
**Date:** Sunday, August 13th  
**Target Location:** Lake View Park

**Date:** Sunday, October 15th  
**Target Location:** Two Rivers Park

**BOSTON/GLOBAL : 6TH ANNUAL**
**Date:** Sunday, October 29th  
**Target Location:** Boston Common
VALUED PARTNERS

SPONSORS
Sponsors include industry partners who recognize the needs in the MDS and AML space, as well as local community organizations. Sponsors will be recognized for their efforts and involvement in the Move for MDS walks based on various sponsorship opportunity levels as outlined in the below section.

VOLUNTEERS
The MDS Foundation is thankful for its staff and volunteers who will be on-site and online to manage the day’s events, as well as members of our Development Board. Members of our Centers of Excellence located in the regions surrounding the walks will also be active participants. Key patients and caregivers have already volunteered their time; however, we greatly appreciate additional volunteers from our sponsor organizations.

AWARENESS & VISIBILITY
To help drive awareness and visibility of MDS and the Move for MDS walks, we have partnered with a fundraising and community engagement expert, an event management company, and a marketing firm who all have deep expertise in the non-profit and rare disease community and experience in working with leaders in healthcare and life sciences. As part of our partnerships, these individuals are providing the following communications support surrounding the Move for MDS walks:

- Move for MDS walks partner/ sponsor toolkit (template materials to help promote the events as well as awareness of MDS)
- Marketing promotion including social media, digital media, website, print materials, email and text communications
- Media relations engagement and outreach

ABOUT THE MDS FOUNDATION, INC.
The MDS Foundation is a global non-profit advocacy organization that for over 25 years has supported patients and their families as well as healthcare providers in the fields of MDS and its related diseases.

OUR VISION:
Every MDS patient will benefit from our initiatives and research as early as possible.

OUR MISSION:
MDS Foundation supports and educates patients, their communities, and healthcare providers, and contributes to innovative research in the fields of MDS and its related continuum of diseases to better diagnose, control and ultimately cure these diseases.

The MDS Foundation is a publicly supported organization, exempt from federal income tax under section 501(C)(3) of the IRS code.
MOVE FOR MDS SPONSORSHIPS

The MDS Foundation is hosting five walks in 2023. We are offering two national sponsorship packages for those interested in supporting all five events and five regional packages for those interested in supporting a specific event.

Benefits can be tailored based on your needs. Please contact Madelyn Geltch to discuss: mgeltch@mds-foundation.org
